

# FICHA TÉCNICA

## CALIBRADOR DE SOLDADURA

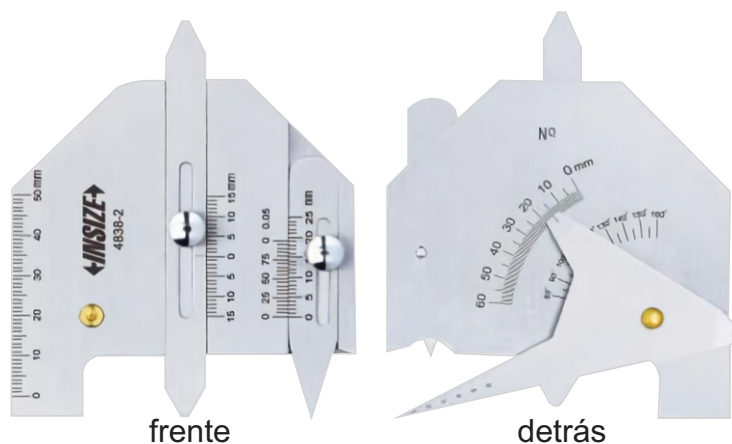

### WELDING GAGES

frente

detrás

**4838-1**

frente

detrás

**4838-2**

■ Fabricado en acero inoxidable

|                | Code 4838-1 |            |          | Code 4838-2 |            |          |
|----------------|-------------|------------|----------|-------------|------------|----------|
| Measurement    | Range       | Graduation | Accuracy | Range       | Graduation | Accuracy |
| crown height   | 0-10mm      | 1mm        | ±0.5mm   | 0-15mm      | 1mm        | ±0.5mm   |
| leg height     | 0-14mm      | 1mm        | ±0.5mm   | 0-15mm      | 1mm        | ±0.5mm   |
| undercut depth | 0-5mm       | 0.05mm     | ±0.05mm  | 0-5mm       | 0.05mm     | ±0.05mm  |
| throat size    | 0-13mm      | 1mm        | ±0.5mm   | 0-13mm      | 1mm        | ±0.5mm   |
| weld length    | 0-40mm      | 1mm        | ±1mm     | 0-60mm      | 1mm        | ±1mm     |
| angle          | 90°-150°    | 5°         | ±1°      | 80°-160°    | 5°         | ±1°      |
| gap            | 0.5-5mm     | 1mm        | ±0.5mm   | 1-6mm       | 1mm        | ±0.5mm   |
| length         | 0-40mm      | 1mm        | ±0.5mm   | 0-50mm      | 1mm        | ±0.5mm   |
| LxW            | 62x77mm     |            |          | 99x84mm     |            |          |
